1. Introduction: what a publication scheme is and why it has been developed

One of the aims of the Freedom of Information Act 2000 (which is referred to as FOIA in the rest of this document) is that authorities should be clear and proactive about the information they will make public.

To do this the Trust must produce a publication scheme, setting out:

- *The classes of information which we publish or intend to publish;*
- *The manner in which the information will be published; and*
- *Whether the information is available free of charge or on payment.*

The scheme covers information already published and information which is to be published in the future. All information in our publication scheme is either available for you on our school websites to download and print off or available in paper form.

Some information which we hold may not be made public, for example personal information.

This publication scheme conforms to the model scheme for schools approved by the Information Commissioner.

2. Aims and Objectives

Vision Statement: *"Caring, Collaborative and Excellent".*

The Athelstan Trust

Freedom of Information

The Trust aims to:

- Raise educational standards for all schools within the Trust.
- Deliver an excellent, comprehensive education for all the children in the schools within the Trust
- Develop and value all the staff within the Trust.
- Ensure the financial security of the Trust and all the schools within it.

and this publication scheme is a means of showing how we are pursuing these aims.

3. Categories of information published

The publication scheme guides you to information which we currently publish (or have recently published) or which we will publish in the future. This is split into categories of information known as 'classes'

4. How to request information

If you require a paper version of any of the documents within the scheme, contact details for the Company Secretary to the Trust are set out below, or you can visit each individual school's website: <http://www.braddonforest.org.uk> or <http://www.thedeanacademy.org> or <http://www.malmesbury.wilts.sch.uk>

Email: admin@theathelstantrust.org

Tel: **01666 829700**

Contact Address: **Corn Gastons, Malmesbury, Wiltshire. SN16 0DF**

To help us process your request quickly, please clearly mark any correspondence **"PUBLICATION SCHEME REQUEST"** (in CAPITALS please)

If the information you require is not available via the scheme and is not on the individual school's website, you can still contact us to ask if we have it.

5. Paying for information

Information published on individual school's website is free, although you may incur costs from your Internet service provider. If you don't have Internet access, you can access our website using a local library or an Internet café.

Single copies of information covered by this publication are provided free unless stated otherwise. If your request means that we have to do a lot of photocopying or printing, or pay a large postage charge, or is for a priced item such as some printed publications we will let you know the cost before fulfilling your request. Where there is a charge this will be indicated by a £ sign in the description box.
