

The Athelstan Trust
Corn Gastons Road
Malmesbury
SN16 0DF
01666 829700
Email: admin@theathelstantrust.org

Trustee of The Athelstan Trust Board

This is a voluntary position. A background in education, finance or law is preferred but there are no specific requirements in terms of qualifications or experience.

Start date – As soon as possible.

The Athelstan Trust is a family of four very different secondary schools in Wiltshire and Gloucestershire with their own ethos and culture. We are responsible for the education of just under 3,500 students at Bradon Forest School in Purton, near Swindon, Malmesbury School, Sir William Romney's School at Tetbury and The Dean Academy in Lydney.

We are a successful and growing Trust and we are a community in which children, staff and parents are part of a happy, caring environment. As a Trust, we believe in the value of strong local governance and community involvement.

The members of the Trust are looking to further strengthen the board and we are particularly interested in a trustee with a background in education, finance or law. The Board meets 6 times per year usually on a Thursday evening between 7 and 9pm. The Finance and Audit Committee meet for a further 3 times per year.

This is an exciting time to join the Board as we are entering a period of growth.

Please visit the Athelstan Trust website for further information about the Trust:
www.theathelstantrust.org.

Interested applicants should email admin@theathelstantrust.org with a CV and letter explaining why you would like to be a trustee.

A charitable company limited by guarantee, registered in England & Wales, as The Athelstan Trust
Company No: 7699625
