INTRODUCTION

General Principles

The purpose of this policy is to provide an open and transparent framework that enables the Board of Directors and Senior Staff to manage pay issues within the Academy Trust and to ensure that members of staff are paid on a fair and equitable basis. This document also ensures consistency of treatment in dealing with the administration of pay matters including pay grievances.

The Board of Directors recognises the importance of determining a pay policy and administering pay in a way which enables it to attract, motivate and retain the most suitable staff to fulfil the business needs of the Academy and the educational needs of the pupils.

Delegation of Authority

Except where otherwise stated, the Board of Directors, will delegate the day to day management of this policy to the CEO/Headteacher.

Pay scales

- a) Where members of staff are still subject to TUPE protected terms and conditions, contractual pay terms continue.
- b) New staff will be appointed to Athelstan Trust pay grades. Any advertisements will show Trust grades.
- c) The Board of Directors have delegated responsibility to the CEO/Headteacher/LGB for making individual decisions within an agreed framework and according to principles agreed by the Board of Directors.
- d) In order to provide a consistent approach, all Support Staff are reviewed annually.
- e) Acting Up or Temporary Appointments – The Board of Directors will pay any member of staff who, for a period of four weeks or more, is required to carry out the full range of duties of a more senior member of staff Team. The pay will represent at minimum the bottom of the band for the post.
- f) Overtime – Support staff colleagues may occasionally be required to work more than their contractual hours. Hours are only eligible to be considered for overtime or time in lieu if agreed in advance with an approved budget signatory. Annex B

Support Staff Pay Policy

- g) The CEO/Headteacher/LGB, as delegated by the Board of Directors determines the pay band applicable to a role, based on the information contained within the job specification and the person specification for a role and with consideration to the bands set for equivalent roles within the Academy and local area. Pay bands applicable to a role will be included in the job specification. Pay bands have a minimum and maximum value, which may rise with the inflationary increase agreed by the Board of Directors.
- h) Staff who are new to the organisation will normally be appointed at the bottom of the band unless there are exceptional circumstances based on business need in conjunction with the breadth and depth of skills and experience offered by the candidate.
- i) Staff who are promoted will normally be appointed at the bottom of the new grade or higher within the existing band, if the band is not changed.
- j) Pay bands will be in accordance with the Athelstan Trust Pay scales the points values of which follow the NJC scales. Annex A
- k) The weeks per annum calculation will be appropriate to the local authority where the school is located. Annex A
- l) Support staff members may move up the band, until they reach the top of that Grade. Staff move up the band according to the following guidelines:
 - 1. Staff will have, at minimum, an annual performance review. Staff performance will be measured against specific, measurable, attainable, relevant and time-bound targets. Staff performance will be rated according to guidelines issued by the Academy.
 - 2. The CEO/Headteacher will validate performance ratings. The CEO/Headteacher may review the staff performance reviews to determine whether ratings and performance targets were appropriate. The CEO/Headteacher may override performance ratings. There is no recourse for appeal of adjudicated ratings.
 - 3. All support staff may be eligible to receive the nationally agreed inflationary pay increase at the discretion of the Board of Directors. The rate of the inflationary pay increase will normally be applied to all pay scales within each pay band in line with NJC terms and conditions.
 - 4. Staff who are rated as underperforming will receive no performance pay increase (increment) and no inflationary pay increase.
 - 5. Staff who are judged to have been successful in achieving their targets will be eligible to receive the inflationary pay increase as in 3 above and an increment of 1 point.
 - 6. Salary bands are linked to job roles and not individuals.
